Trainer & Coach

"If I understand you and you understand me, doesn't it make sense that we can work more effectively together?"

Dr. Robert A. Rohm

Solving the People Puzzle Understanding Personality Dynamics

*"Ever wondered why certain people act the way they do?"
"Ever wondered why YOU act the way YOU do?"*

Join us for this interactive, informative and fun workshop where you will discover:

- :: the strengths of your unique personality blend*
- :: how people are wired differently and why that's a good thing*
- :: the basic needs and motivational factors that influence decision making*
- :: how to apply your understanding of personality styles to build better relationships*

Goal of this workshop: The goal of this workshop is to help you further understand yourself and others better, so you can build better relationships both in the workplace and at home.

Format: Lunch Hour Learning Session
Participants bring their own lunch

Date & Time: To be determined

Presented by: Nicole Jansen
Principal Consultant, Trainer & Coach
